

## Fabric Requirements:

- Coordinating solid: 1/2 yd (Quilt top)
- Gray Solid: 1 1/4 yd (Quilt top)
- Backing: 2 2/3 yd
- Binding: 1/2 yd

## Preparing Your Quilt Top:

1. Trim print fabric to measure 17" x 42"

2. Cut the 1 1/4 yd solid fabric down the middle lengthwise. You should have two pieces measuring approximately 22" x 45"

3. Trim each piece to 20" x 42"

4. Sew a piece to both sides of the coordinating solid along the length. Press seams.

5. Quilt should measure 42" x 57"

Using a marking utensil, such as the Mark-B-Gone water soluble marker, mark the gray sections of your quilt as shown. Don't worry if the lines are perfect, once it's quilted and lines are removed, it's going to look amazing!

1. Draw a line 3" above the print fabric. Divide into 13 squares approximately 3" x 3", leaving a little space on each side of the quilt. (figure a)

2. Mark 3 more lines from top of the fabric. The first section should be approximately 3" wide, the second section 4" wide, and the third section 5" wide. (figure b)

3. In the 3" section, draw 45 degree lines to divide into triangles. (figure c)

4. Draw four 6" triangles on point so that they are centered in the middle of the 5" section. (figure d)

## Marking Your Quilt Top

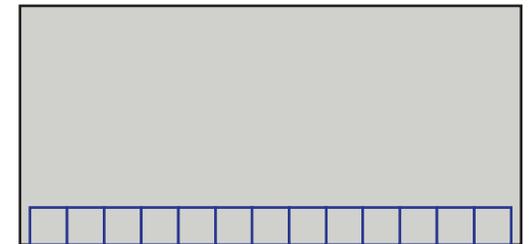

Figure A

Figure C

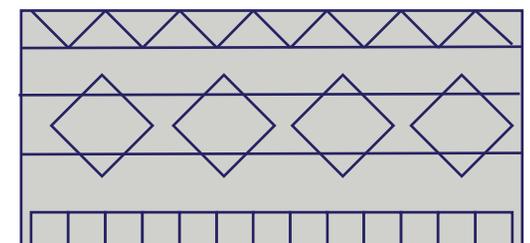

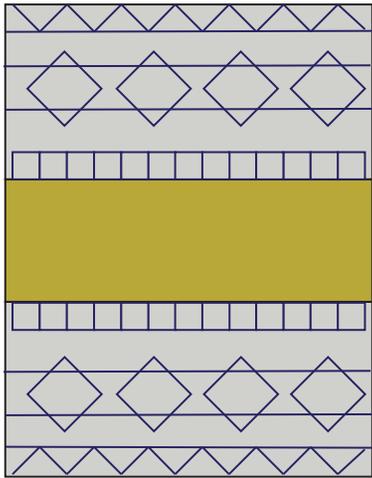

Figure D

5. Repeat on the other side of the quilt. (figure e)

Note: Later on in the challenge, we will quilt chevrons in the center piece.

Figure E

---

## Preparing the Backing

1. Cut the backing fabric in half so that you have 2 pieces each about 47" long

*(Skip this step if you received 2 separate pieces of the backing fabric.)*

2. Sew pieces together along the long edge using a 1/2" seam. Press seam open.

3. Baste your quilt sandwich using your preferred method.

---

## Get Ready to Quilt!!

Gather your quilting supplies and get ready to join the challenge!! If you need any supplies, please visit my online store: [QIMTshop.com](http://QIMTshop.com)!

Thanks so much for joining me for the fourth Free-motion Challenge Quilting Along! I hope that it's the best ever!

Angela Walters

## F.A.Q.S.

1. Do I need a machine quilting ruler to participate in this challenge?

*You don't have to use a ruler to create the straight-ish lines in the Dot to Dot Quilting designs. I will demonstrate how to do it with and without rulers. I'll also show how to quilt it on a sewing machine and a longarm.*

2. What if I'm not ready to quilt along right now?

*No worries! The videos will be available on YouTube whenever you are ready to start quilting.*

3. Is there a cost to quilt along?

*Definitely not! The videos are free and available for you to watch. The only "payment" that I ask for is that you would invite your quilting friends to join us.*

Still not sure what to do? Visit [FMQChallenge.com](http://FMQChallenge.com) for more details!
