*(If your fabric came in two 1 1/3 yd pieces, skip this step.)*

2. Using a 1/2" seam, sew pieces together along the long edge to make the quilt backing. Press seam open.

Backing should measure approximately 47" x 87".

3. Rotate the quilt back and cut 5 strips 2 1/2" x Width of Fabric. Set aside for binding.

*Note: If you prefer you can cut the strips 2 1/4" wide.*

4. The remaining backing should measure approximately 47" x 74".
5. Baste your quilt sandwich with your preferred method.
