3" Borders or Sashings

2" Borders or Sashings

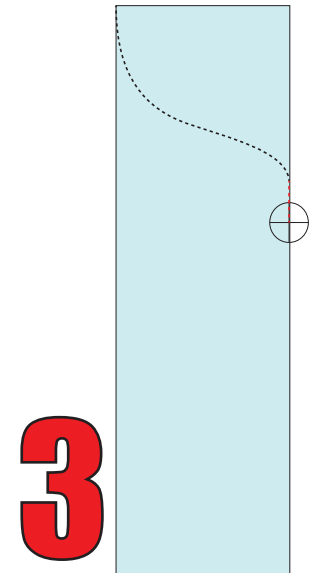

1

Align Squiggy along the edge of a 2" border with the edge of the notches at the both ends touching the seam.

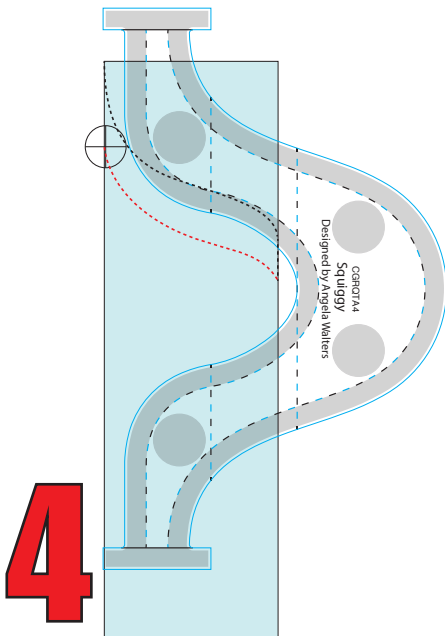

2

Quilt along the edge of the ruler, stopping at the opposite seam.

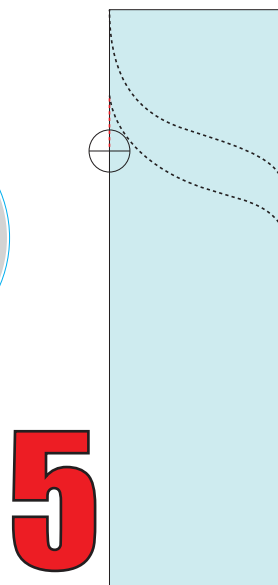

3

Moving the ruler out of the way, quilt along the seam 1/4" - 1/2".

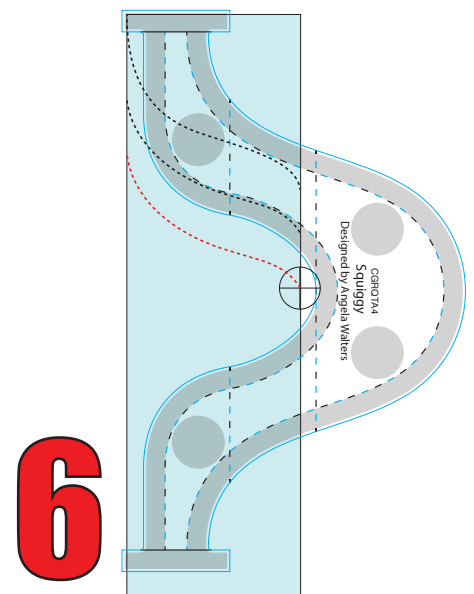

4

Reposition the ruler and quilt along the edge to the other side.

5

Moving the ruler out of the way, quilt along the seam 1/4" - 1/2".

6

Continue quilting serpentine lines until the area is filled in.
