

PICKING OUT THREAD COLORS

MY METHOD:

- Select at least 3 reasonable thread options

EM301

MY METHOD:

- Select at least 3 reasonable thread options
- Add at least 2 "wild cards"

MY METHOD:

- Unwind the threads and look at them on them on the lightest and darkest fabrics

MY METHOD:

- Begin ruling out colors until I find my favorite one

MY "RULES":

- I rarely use white or black thread

MY "RULES":

- I rarely use white or black thread
- I usually use light yellow and dark gray

MY "RULES":

- I rarely use white or black thread
- If I can't decide between two thread colors, I opt for the lightest one

USING A SINGLE THREAD COLOR

- Aim for a neutral color in between the values of the quilt

USING MULTIPLE THREAD COLORS

- Find thread colors that will work over a range of fabrics.
