

Suggested Supplies

You'll only need a few supplies to quilt along with me during the free video series!

Quilt Sandwich

You can quilt along with me on the custom challenge panel, use an unfinished quilt top, or even some fat quarters. If quilting on a sewing machine, you can baste your quilt sandwich with any method that you prefer.

Machine Quilting Thread

High quality thread can help prevent tension issues and thread breaks. I will be demonstrating the designs using Glide, a 40 weight thread. 50wt cotton also works great for machine quilting.

Marking Tools

When using the class stencil, a pounce pad is recommended. You could also mark the stencil out using the Mark B Gone water soluble marker.

Other Machine Quilting Notions

If quilting along on a sewing machine, a Supreme Slider, an extension table and machine quilting gloves may be helpful.
